Friday - 17 February 1978

1. (Unclassified - JEC) LEGISLATION Had several conversations with Jim Stimpson, OMB, concerning H.R. 4620, the Federal physicians pay bill. At first Mr. Stimpson agreed to add language to the Civil Service Commission's testimony which would ask for CIA inclusion in the bill. After several discussions with OGC, OMS and Office of Personnel, it was determined that, because of the bill's provisions for CSC regulation and audit of the pay program, we would not want to be included in the bill. I then informed Mr. Stimpson of this, and he said he would delete any reference to the Agency from the CSC testimony.

2. (Unclassified - RLB) LEGISLATION Spoke with Hilda Schreiber, OMB, to confirm that she received the material we sent her by special courier late in the day on the Agency's views on the draft Civil Service Reorganization legislation. Ms. Schreiber said she had received the paper and would make one last-minute change I suggested to her.

3. (Unclassified - YTF) LEGISLATION Called Hilda Schreiber, OMB, to tell her that our response to the Civil Service Commission draft bill would be late and asked if anyone would be in her office to receive our comments at 7:00 p.m. today. She said she would be there until 7:00 p.m. but no later.

4. (Unclassified - DFM) LIAISON Accompanied Stan Taylor, Senate Select Committee on Intelligence staff, to a one and one-half hour address of a mid-career group on Congressional oversight.
